

WOUTSL collaboration with SMC target to install 10 nos of bus stop.

Sambalpur, May 1: Sambalpur city bus is running in public-private partnership service in Sambalpur Odisha. A fleet of 32 buses cover all major destinations across the cities (Burla, Hirakud, Jharsugada, Baragarh, Maneswar, Chiplima). The service was started in 29.0.2014. There is a plan to increase the fleet size by 12 non-AC buses and 4 air-conditioned buses on selected routes.

In order to provide basic facilities to the passenger moving in the city bus played by WOUTSL is going to establish 10 nos of bus stop in SMC area. The total cost is 7400000/-.

We have already initiated the process to execute the project in a time-bound manner which will get new looks with steel railings, display boards with real-time information on bus timings and more. The site of installation of bus stop has already been finalized and construction of bus stop has already been started and completed at Charbhati Chowk and SRIT colony. I hope that the other project is completed in time,

An advertisement has been issued inviting eligible agencies to take up the project. The system will be installed in all the 32 city buses. The tendering process has already finalized "said a SMC official.
