

This year's plan: Amrut works on greenery four new parks in SMC (2017-18), Stone laid for two parks.

Sambalpur, January 25: The civic body will develop four more parks in the city this year 2018. The Sambalpur Municipal Corporation will execute these projects under the Centre-sponsored "Atal Mission for Rejuvenation and Urban Transformation" (Amrut) scheme as part of urban development in the city.

The civic body had taken up the job to develop four numbers of park Padma Keshari park, Modipada, Jagannath Colony Parks at Sambalpur , Children park at Hirahud and Sriram Vihar park at Burla . It will develop this year, The tender for the project has been finalised, and work will begin shortly, said Executive Engineer in charge of AMRUT Er.Sanant Pattnaik .The foundation stones for the two parks in Sambalpur have been laid by Honourable MLA, Sambalpur and Chairman SDA in the presence of District Magistrate, Sambalpur, Commissioner SMC, Executive Engineer and other staff of SMC were also present to make the occasion grand success.

Taking part in the foundation stone laying ceremony, Honorable MLA said that these development works were taken up under Atal Mission for Rejuvenation and Urban Transformation (AMRUT) scheme, Providing basic services like water supply, sewage facility, urban transport and amenities in cities so as to improve the quality of life for all especially the poor as well as developing greenery and well maintained open spaces like parks and reducing pollution.

The proposed parks would see an overall development, including provisions of benches to sit on, jogging path, lighting, children's play area with child friendly equipment, grass lands, paver tile platforms and open gyms and other facilities like toilet , compound wall etc.

There should be more open and green space, which would contribute not only to the benefit of the citizens, but also to the environment. The administration is looking for sustainable development, of these parks. The corporation has decided to develop this four parks in 2018 to be executed under Amrut at an estimated cost of Rs. 1,61,53,307.40.
