

LSG DAY CELEBRATED IN SAMBALPUR MUNICIPAL CORPORATION

Sambalpur, 31/08/2019: The annual local Self Government Day was celebrated at Sambalpur in a festive method with many welfare and citizen-centric projects. Also referred to as “Swayat Shasan Dibas” it signifies that the ability of a municipality is definitely within the fingers of a citizen. The importance of the day to keep urban clean and neat hygiene to eradicate from all diseases which is important for every family sought cooperation from all to build good environment.

Sambalpur Municipal Commissioner Mr. Triliochan Majhi hoisted tricolour on SMC office to have a good time the LSG day for all the staff other senior officials of the Corporation were also present. Additionally he also joined many new projects which had been chalked for the day number of tasks throughout the wards. Many unique and innovative steps are being taken this year to make the city as an example in the state.

On the occasion of Local Self Government (LSG) Odisha Chief Minister Naveen Patnaik today inaugurated a number of projects for the benefits of the citizens. Addressing the special occasion at the Lok Seva Bhawan, the Chief Minister said, “Today Ward Offices were inaugurated in all the wards under Sambalpur Municipal Corporation (SMC). In addition to it, work also began on Micro Composting Centres (MCCs) for solid waste management.”

He also mentioned, “The application of 5T Mantra has been done successfully in all these activities. Underlining that the main aim of the Local Self Government is to provide good services to the citizens, the Chief Minister stated, if we keep the people at the centre of our initiative and

follow the principle of 5Ts in letter and spirit, we would be able to achieve the transformation which we want our citizens to experience.”

The Ward Office will act as a medium for easy and fast citizen-centric services. It will be managed by a Ward Officer with the cooperation of other employees. The aim and objective of Ward Office is to supervise and analyze sanitation, drainage and solid waste treatment. All the SMC officials and others join the programme to make success.

The poster features the SMC logo in the top left corner. The main text is in yellow and white on a dark blue background with a circuit-like pattern. It includes the WhatsApp logo and the phone number +91 7655852455.
