Commissioner
Sambalpur Municipal Corporation
for
SAMBALPUR

SBM ODF++

1. Format for declaration to be submitted by City / town

I,Mayor / Chairperson / CEO of Sambalpur Municipal Corporation (Name of ULB / development authority / cantonment board) do hereby declare that:

1) Following sub-conditions have been met:

- a. Sewer networks are maintained and operated as per norms¹, with all overflow/leakage issues resolved within 6 hours (point to be removed if city does not have sewer network)
 - b. All transmitted sewage is treated at a sewage treatment plant, as per norms² (point to be removed if city does not have sewer network)
 - c. Sewage/septage treatment facilities are operated and maintained as per norms³
 - d. Treated dried sludge is disposed of at designated site or diverted for appropriate recovery/reuse (recovery/reuse as per norms⁴)
 - e. All septic tank cleaning service providers are registered and licensed by ULB / Development Authority / Cantonment Board, operate through contract with the respective administration/authority in allotted areas and utilize well-maintained mechanized equipment (as per recommendation of National Policy on FSSM)
 - f. No discharging and/or dumping of untreated faecal waste in the open environment—water bodies, drains, open land, etc.
 - g. ULB / Development Authority / Cantonment Board has notified sanitation service level benchmarks, at the least adhering to all conditions defined for SBM ODF++, in municipal bye-laws (or equivalent, in absence of municipal administration) and published the same in atleast two dailies with wide reach.
- 2) All desludging operators in the city / town have submitted their self-declarations regarding registration, licensing and operations (as per Annexure 8 of SBM ODF++ protocol)
 - 3) The city has issued and notified fines against persons / desludging operators dumping untreated fecal sludge in drains and / or open areas
 - 4) All Ward Councilors / Work Circle In-Charge or Engineers (as applicable) in the city / town have submitted their self-declarations regarding SBM ODF++ status
 - 5) Preliminary resolution has been passed declaring the city / town as SBM ODF++
 - 6) Above resolution has been publicly announced, in at least two newspapers of wide circulation and readership, inviting public feedback / objection within 15 days of announcement
 - 7) Since no objections have been received within the stipulated time period / since objections and feedback received from the public have been addressed, a final resolution has been adopted by this office regarding SBM ODF++ status
 - 8) This final resolution has been communicated to the state government for further verification (if decided to be carried out).

Accordingly, Sambalpur Municipal Corporation (Name of city/ town) is hereby declared SBM ODF++.

MoHUA is now requested to carry out the “Swachh Certification for SBM ODF++” process for Sambalpur Municipal Corporation.

(Name of city/town).

1. Format for declaration to be submitted by every Ward Councillor/Work Circle In-Charge or Engineer

I, Ward Councillor / Work Circle in-charge/engineer of(ward / work circle details), under Sambalpur Municipal Corporation (Name of ULB / development authority / cantonment board) do hereby declare that:

- a) All necessary conditions for SBM ODF+ (as per the SBM ODF+ protocol laid down by MoHUA) have been achieved.
- b) All toilets (individual, community and public) are either connected to:
 - a. sewer networks; or
 - i. safe containment systems (such as septic tanks, twin pits or other on-site sanitation systems prescribed by CPHEEO or under SBM-Urban Mission Guidelines), with regular emptying, treatment and/or safe disposal of septage from these toilets managed as per all the following conditions:
 - ii. No toilet of any kind is found to be discharging in open drains/land/water bodies
 - iii. Regular⁵ and safe⁶ emptying of faecal matter contained in onsite sanitation structures atleast twice annually, either by ULB / Development Authority / Cantonment Board or by licensed operators contracted by the respective administration/authority
 - iv. Safe conveyance and treatment of all faecal sludge, whether at a faecal sludge treatment plant (FSTP) or nearby sewage treatment plant (STP) via co-treatment of septage with conventional wastewater/sewage or SWM treatment plant
 - v. No discharging and/or dumping of untreated faecal waste in the open environment—water bodies, drains, open land, etc.

I further declare that I have formally submitted this declaration to the Sambalpur Municipal Corporation (Name of ULB / development authority / cantonment board) for further necessary action.

(Signature and Name of Work Circle In-Charge/Engineer)

2. Format for self-declaration by citizen representatives

I,..... (Name), authorized representative on behalf of..... (Name of citizen Category) in Sambalpur Municipal Corporation do hereby declare that:

- a) Functional, clean and usable public toilets are available at every 1 kilometer in public and commercial areas
- b) Faecal waste from on-site sanitation systems on our premises is collected and emptied by registered and licensed desludging operators OR by ULB / Development Authority / Cantonment Board utility at least once in two years (applicable if premises have on-site sanitation system)
- c) Buildings on our premises are connected to the city's sewer network (applicable if premises do not have on-site sanitation system)
- d) We do not employ manual scavengers for cleaning / emptying of toilet facilities and containment systems (if any on premises)
- e) Our toilet cleaning staff are provided with adequate cleaning equipment and protective gear
