

Removal of Encroachments from roads and pedestrians paths in SMC

Sensational news. The SMC is starting to remove all unauthorized enclosures in the road pedestals area within SMC. It is doing so to reduce accidents and save lives. To check the enhance of unwarranted accidents with subject to the cited above SMC concerning to monitoring of the road and safety activity in the urban areas in compliance to observation of the committee on Road Safety constituted by the Hon'ble Supreme court of India with Dept letter No.18354/HUD.dt.11.08.2017 & No.19994/HUD ,dt.31.08.2017. The Hon'ble Supreme court of India constituted a committee on Road Safety under the chairman ship of Hon'ble Justice Sri Radhakrishna retired judge of Supreme Court. This Committee monitors the road Safety activities under taken by different States.

The idea is apparently revolutionary. Road clearance is being used to mitigate the physical and ecological impacts of roads and to restore both public and private lands.

Traffic was safest when road users were "self-policing" and streets were cleared. We're losing our capacity for socially responsible behavior. A new enforcement officer has joined in SMC to look after this activity. His innovations, now adopted across SMC area have led to dramatic falls in accidents. His efforts are remarkable for the purpose of public. He said freeway removals in cities all over in SMC area and see for yourself.

SMC extends its responsibility in removal of enclosurement and dumping of building construction material. SMC enforcement team headed by the enforcement officer with 2 cops and 5 members of enforcement sqard took the drive to removed of building construction material from the road and pedestals footpath from

- I) Kacheri chowk to Khetrajpur police station ring road
- II) Budharaja High School to Ainthapalli Chowk
