

Installation of Smart LED Street lights inauguration at Sambalpur Municipal Corporation

Sambalpur, 22.02.2019 : Green field LED street light project in Sambalpur Municipal Corporation was inaugurated on 22nd Feb 2019 in Aithapalli by the Hon'ble MP Nagendra Kumar Pradhan, Hon'ble MLA Rengali Ramesh Patwa in the presence of Dy Commissioner, Enforcement Officer and other officials of SMC.

37 places have been identified for installation of LED light and each new LED electrical poles will be installed at a distance of 20 to 25 meters. The company will install as well as maintain the same up to 7 years. As per the provision the company has to spread and cover up to 300km distance out of which they have completed 42km distance.

Retrofitting of existing conventional street lights with LED lights across the ULB will be made through Energy Efficiency Service Limited (EESL) which is a Government of India Enterprise. Implementation in Greenfield stretches in Sambalpur will be made on PPP mode through M/s Crompton Greaves Consumer Electrical limited.

Government of Odisha
