

Orientation Training Programme for Swachh Saathi

Swachh Saathi programme is a youth-based cleanliness drive programme, parallel to clean india mission of Swachh Bharat Mission. It aims at encouraging, educating and enrolling school going children to actively participate in swachh Bharat mission and other environmental safeguarding missions. It will work hand in hand with swachh vidyalay scheme.

Under it, more than 2000 interns will be enrolled to coordinate around 10000 schools across India. They also will ensure that all students in the schools across India take the pledge for Clean India.

Sambalpur Municipal Corporation has organised orientation and training programme on Wed, Nov 13, for Swachh sathi in the presence of Deputy Commissioner, Asst Commissioner, Enforcement Officer, all COS and other staffs are present. They would mainly help the programme to reach out to more youngsters as it was aimed to make it youth led cleanliness movement.
